

LOCKDOWN

VERSUS

SHELTER-IN-PLACE

THE FIVE (5) W's IN AN EMERGENCY

Lockdown and Shelter-in-Place both involve taking refuge in a pre-designated room until the emergency situation is resolved.

WHO IS IMPACTED...

The entire campus community

The entire campus community

WHAT TO DO...

Locks, Lights, Out of Sight

Remain Calm; Mute Cell Phones; Remain **Quiet**.

The Hide in RUN.HIDE.FIGHT

*Do not leave until the **ALL CLEAR** is received.*

Get inside. Lock Outside Doors.

Pause your class. Stay in your classroom or area. Clear Halls.

Remain Calm

*Do not leave until the **ALL CLEAR** is received.*

WHEN TO FOLLOW PROCEDURE...

Immediate physical threat on campus

For instance, the presence of a hostile or armed intruder on Campus

Certain situations such as:

- Weather emergencies
- Environmental hazards
- Local emergencies [such as nearby police activity]

WHERE TO GO...

- Move away from danger
- If outside, seek cover in nearest building
- Lock doors and barricade entry to classroom, office, or interior room. Stay away from windows

- Use a structure to separate you from the hazard
- Take immediate shelter in nearest building
- Close exterior doors

WHY LOCKDOWN OR SHELTER-IN-PLACE...

The purpose is to lock down campus and have community members in a secure place while law enforcement clears the threat.

The purpose is to keep the community safe and avoid the hazard, while keeping campus paths clear for emergency use.
